## From the Chairman's Desk

Education enlightens, enriches and empowers those who receive it. Now we face the stiffest competition in the field of education in our state, but the exposure has not deterred us from our commitment for qualitative education.

We strive to attain a new bench mark of excellence, each day presents a new challenge. A new challenge is a new experience that gets us enriched. My aim is to create a positive environment, where every child feels at home, loves to explore his / her own potential and helping them to shape their own destiny.

I cherish the day when our institution will acquire the position of National Institution like IIT and leave a foot print on the sands of Time.

*Dr. Sarada Mishra*  
CHAIRPERSON

## Vision:

Queen's is to give our young minds the 'Schooling for Life', 'Freedom to Contemplate', 'Endow them with Quality Education' and 'Holistic Learning' to enable the school community to discover their latent talent and develop their skills for moulding them into confident individuals, responsible citizens and inspiring leaders.

## Mission:

Together towards a beautiful tomorrow.....RKK is a learning epicentre that provides smart futuristic education with competence and responsible social development that enhances and stimulates intellectual curiosity and critical thinking of children from a very early age. Pioneers of New Age and Progressive Learning, the school aims at taking forward good practices to nurture young minds to scale heights and prepare the students to enter adulthood with self - discipline, social awareness and reverence for the world. School's motto is our guiding philosophy, propelling & igniting minds to be future ready for the world. Our mission is to deliver global education, guided by traditions and culture, strengthened by technology, safeguarded by values & ethics, overcoming all odds and challenges, breaking confines, obstacles and eventually records.
